Principal's Message

May has been a wet month but we didn't let it dampen our spirits in Nun's Cross! We have been busy with all kinds of activities, from fundraisers to uni-hoc competitions! I would like to take this opportunity to congratulate Ms Byrne on her recent promotion to Assistant Principal. Ms Byrne, who is a very hardworking and dedicated teacher, completes our management team joining myself and Deputy Principal, Mrs Gannon. We wish her well in her role and look forward to working with her.

Well-Being Week

Our well-being committee put together a fantastic week which focused on the 5 main areas of well-being: connect, be active, take notice, keep learning and give. Each day we had different activities which focused on one of the well-being areas. We had dance classes, self defence classes, class discos, mindful stories and breathing technique lessons. We took time to be grateful and to think about all that we have to be thankful for. We finished with an Amber Day and we are so proud to have raised a huge €502 for Pieta House! You can read all about our Amber week on our website or [click here](#) to go straight there!

World Bee Day

This month we celebrated World Bee Day with each class taking part in activities to help all of us learn just how important bees are for our world! From songs, to poems and pictures, each class was a buzzing for bees!

SAY CHEESE!
